OUR SERVICE

ADVISORY—Our long experience in the Nursery Business has taught us that many people have certain definite ideas of the manner in which they desire a planting, while others desire suggestions. To assist you, we maintain a staff of experienced men to advise you which plants will suit your particular requirements to achieve the best results.

DELIVERY AND PLANTING—To further assist you, we have a fleet of trucks for making deliveries, also a corps of men, well qualified to execute your planting—both at a nominal charge.

PRUNING SERVICE—Trees, like most animals, respond to kindness. Our leafy friends send forth new beauty and glory when properly

cared for. When winter comes, many of our trees have lost their summer plumage. It is then your opportunity to assist nature in sending forth greater beauty the following season. In summer, others are calling for attention in like manner.

Our corps of trained experts are at your command to assist you in having greater pleasure with your trees by judicious pruning.
